

Town of Stockton Board Public Hearing Minutes
Monday, July 5, 2004, 7:00PM
At the Stockton Municipal Building

1. **Call to Order:** Chairman Borski called the meeting to order at 7:00pm.
 - In Attendance: Supervisors Pehoski and Cychosz, Clerk Helminiak, Designer Leon Wolf
 - See attendance sheet -
2. Discussion floor plan for:
 - Garage/fire station
 - Separate break rooms and restrooms with separate shower for fire dept. and garage.
 - Fire dept will be on the south side of building, allowing room for expansion.
 - 3000 gal. holding tank would be at the rear of the building so driveway should be all around building for access.
 - Utilities and storage could be placed above office break rooms.
 - Jeff Herman requested a locked storage room so public would not have access to it.
 - Fuel storage tanks *and waste oil* could be located at the storage building *area*.

Town Hall

- Floor plan 60'x62' = 3600 sq. ft.
- Occupant 200 seated or 400 standing
- Chairman, Clerk and Treasures office combined into one office that could be separated by dividers if needed.
- Small office shared for Supervisors.
- Conference room for small meetings.
- Concentrate windows to the north side for view
- North side of building could have outdoor space with canopy roof overhang.
- Food preparation area would include a refrigerator, sink, microwave and cabinets on one wall separated from the serving area by a work area. Counter could have an overhead door to separate workers from meeting area.
- Separate rooms for utilities, utility storage and a room for storage of tables and chairs.
- Room separator was not encouraged because of the cost.
- Discussion of solar heat and/or *geothermal* heat will be investigated and what grants are available.

Respectfully submitted,
Marie Helminiak, Town Clerk
Approved July 13, 2004
Amended and recorded July 15, 2004
